Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3134

Comment on FR Doc # 2025-02305

Submitter Information

Name: Emmalia Harrington

General Comment

AI is theft. It devours intellectual property without care or consent and vomits out garbage. AI devours water and electricity in order to produce said garbage. The US should not be throwing money at techbros who will only pocket the money and fail to help anyone.
