Document: NSF_FRDOC_0001-DRAFT-3154
Comment on FR Doc # 2025-02305

Submitter Information

Name: Anonymous Anonymous

General Comment

I do not believe AI holds a place in the future of the US and it's overhyped and is fleecing the eyes of the American public. AI steals from my livelihood as an American and profits off of theft.

Ask most Americans and they'll have nothing but negative things to say about how AI is integrated into programs or websites like Google.
