Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3217
Comment on FR Doc # 2025-02305

Submitter Information

Name: Laura Kowalski

General Comment

OpenAI should be subject to even stricter copyright and trademark rules than anything else as it's incapable of actual creation only theft.

It should not be used except in last resort

It should have triple the oversight on ethical and values of American democracy before January 2025

and in general be prevented from being used in anything involved in any level decision making or
Decision making input.

Anything that has AI interaction should be clearly stated that it is likely
