Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3233
Comment on FR Doc # 2025-02305

Submitter Information

Name: Katelyn Slagle

General Comment

America should under NO circumstances aim to be a global leader in artificial intelligence. It is a scourge on our planet, artists, and writers everywhere. Artificial intelligence MUST pay artists and writers to train their models on their owned, copy written and pictorial works that are not public domain. To do anything less is an absolutely abhorrent and unethical business practice.
