Document: NSF_FRDOC_0001-DRAFT-3234

Comment on FR Doc # 2025-02305

Submitter Information

Name: Zachary Sia

General Comment

Giving AI free reign would heavily stifle American creative industry, leaving thousands of hard working American creators struggling at the whims of big AI tech companies seeking to pad their profits. The government needs to take a stand to protect individual copyright holders, and say NO to expanding the ability of AI companies to use creative works to which they have no right or entitlement. Stand with American creators, and say NO to expanding AI plundering!
