Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3241

Comment on FR Doc # 2025-02305

Submitter Information

Name: John Foytek

General Comment

I do not believe that AI has any current or future benefit for America as a whole. I also believe that AI should not be trained on public or copywrited data and should only be trained on data specifically curated and paid for. Scraping things from the internet for use in training AI is stealing.
