## General Comment

To, the Federal Register,

I do not believe AI holds a place in the future of the US. AI steals from my livelihood as an American and profits off of theft. AI is overpraised and is fleecing the eyes of the American public. It must not be allowed to have legal standing in our country. Please, for the sake of the people, do NOT allow it to have legal precedence in our country.

From, a concerned US Citizen.
