Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3287
Comment on FR Doc # 2025-02305

Submitter Information

Name: Brooke Alius

General Comment

We do not need AI training their models on data they do not have permission to use. Please do not ruin the lives of artists, creators, designers, musicians and so many other jobs and peoples way of life. How unethical and horrible is it to STEAL from others and create something that looks like it. Exactly. A machine shouldn't be doing it either. We need careful and thoughtful AI laws to protect THE PEOPLE.
