Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3365
Comment on FR Doc # 2025-02305

Submitter Information

Name: Bran Bertomeu

General Comment

As an American artist with many artistic peers I oppose this as it would directly effect the livelyhoods of so many individuals, including my own. AI is already profiting off of theft and this action will just boost those capabilities. AI holds no place in the furtue of the US and will take money from hardworking Americans.
