General Comment

AI is theft, I do not think we should be investing as much energy, time, and money into it as we are. Social Security, Education, and Medicaid are far more worthwhile investments than whatever Mr. Musk and the other billionaires want to waste our money and resources on. Give the power back to the people. Deport Elon Musk. He is a crook and a criminal. He is not an American. Trump is a Liar and Traitor and should have never had any power. They do not care about the struggles of everyday people. The majority of PEOPLE should be deciding on things like this, not the majority of Wealth, and the people HATE AI!!!
