General Comment

I don't think you realize how this'll completely destroy the entertainment industry, you'll literally run all creatives out and have nothing but ai shlop left. Didn't your mothers ever teach you stealing is bad? I'm personally not surprised, you're all horrible and only care about money, pathetic really, grimy, disgusting. If you believe in God, you know very well where he'll be sending you. But I guess it doesn't matter cuz you wont see what happens to the planet when your time will come much before it, right?
