Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3391
Comment on FR Doc # 2025-02305

Submitter Information

Name: Paige Reissig

General Comment

As a freelance artist, allowing AI free use to the work of individuals like myself would be undermining our livelihood. Generative AI subsists and profits on theft on a massive scale, and are currently asking for permission to continue that freely. I do not believe generative AI holds a place in the future of the United States, and I ask that Congress does not bow to the whims of OpenAI or other such companies.
