Docket: NSF_FRDOC_0001
Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3402
Comment on FR Doc # 2025-02305

Submitter Information

Name: Callie Glade

General Comment

I do not believe that AI has a place in the future of the US. Generative AI can only function on the backs of stolen work from creators big and small, and creates an adverse effect on those creators as AI generates work which takes credit for the real artists. AI has consistently and repeatedly been proven to give wrong, inaccurate, or fabricated information, and as such, has absolutely no place in our federal government or in the futures of Americans.
