Document: NSF_FRDOC_0001-DRAFT-3424
Comment on FR Doc # 2025-02305

Submitter Information

Name: Walter
Anderson

General Comment

Generative AI is a tool of fascists whose goal is to dismantle our democracy and install a dictatorship in its place and lazy pseudo-entrepreneurs who want great reward without putting in the work for it. Both of these ideals and the men who represent them - most especially Donald Trump and Elon Musk - completely fly in the face of the American dream and what our country is supposed to represent.
