Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3429

Comment on FR Doc # 2025-02305

Submitter Information

Name: Lauren Cox

General Comment

- * I do not believe AI holds a place in the future of the US
- * AI steals from my livelihood as an American and profits off of theft
- * AI is overhyped and is fleecing the eyes of the American public.

These machines will never be able to mimic human creativity and will only hurt the economy with less jobs for the people. Generative AI is scummy and only makes people more lazy and cheap
