Document: NSF_FRDOC_0001-DRAFT-3462
Comment on FR Doc # 2025-02305

Submitter Information

Name: B W

General Comment

I do not believe AI holds a place in the future of the US. AI steals from my livelihood as an American and profits off of theft. It stifles creativity and stunts growth, when we should instead be nurturing our young and old alike to grow and learn what they can create within themselves.
