Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3513
Comment on FR Doc # 2025-02305

Submitter Information

Name: Keezy Young

[REDACTED]

General Comment

As a working artist and cartoonist, I strongly caution the National Science Foundation to avoid giving AI companies the ability to steal and profit off of individuals' creativity. It would be tantamount to legal theft and a dissolution of copyright law as it stands to allow this to take place, and would stymie creative fields across the nation, ending in an inevitable sludge of AI being feed only by AI.
