Docket: NSF_FRDOC_0001

Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3553

Comment on FR Doc # 2025-02305

Submitter Information

Name: Sacha Procter-Weiss

Email: [REDACTED]

General Comment

AI has no place in the future of the US and its hard-working citizens. It steals from my livelihood as an American entertainer and artist. AI damages our environment, jeopardizing American futures on multiple fronts. AI is overhyped, unwanted, and constantly loses money while providing no benefits to the American public or those who would seek to protect us. AI is a dangerous tool that could do irreparable damage to American futures.
