Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3735

Comment on FR Doc # 2025-02305

Submitter Information

Name: Bryan Anderson

General Comment

I strongly oppose this action plan. The current methods of obtaining training data are immoral, illegal, and harmful to the human writers, artists, musicians, and other creatives in this country. Furthermore, it's been shown by other models that OpenAI's methods are far too inefficient and expensive to continue.
