Document: NSF_FRDOC_0001-DRAFT-3792

Comment on FR Doc # 2025-02305

Submitter Information

Name: aj thompson

General Comment

Ai is a thieving scam that takes from the art and writing of our culture and the livelihoods of artists and in return provides a subpar mediocre work that destroys the environment. Gen AI is not being used properly and is solely intended to steal work and jobs from the already threatened artistic industries. Protect real art!
