Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3848
Comment on FR Doc # 2025-02305

Submitter Information

Name: Riordan Stringham

[REDACTED]

General Comment

A Fascist society oppresses its artists, by allowing AI to take the art away from these people with heart, you are allowing artists to be oppressed, And take away what few passions that people can have. The content produced by AI is from stolen content, stealing from the people making content, us oppressing them. If AI is permitted to get away with that, the art of society will be passionless and dull.
