Document: NSF_FRDOC_0001-DRAFT-3856

Comment on FR Doc # 2025-02305

Submitter Information

Name: SARA MILES

[REDACTED]

General Comment

I am a writer with several books published, as well as magazine and newspaper articles, over a 40-year career. It is crucial for me to have my intellectual property respected, protected by copyright laws, and not simply become "material" for any unaccountable AI instrument to chew up and use. Please do not create regulations that allow AI theft, but protect the work of real people.
