Document: NSF_FRDOC_0001-DRAFT-3873

Comment on FR Doc # 2025-02305

Submitter Information

Name: Devin Shattuck

General Comment

This bill is a slap in the face to American artists who already have it difficult enough to live in the current landscape. Generative AI has absolutely no place in the future of America and will serve only to make living more difficult for the average American. This bill is an affront to everything America has made its name for.
