Document: NSF_FRDOC_0001-DRAFT-3961
Comment on FR Doc # 2025-02305

Submitter Information

Name: Brenna Zedan
Email: [REDACTED]

General Comment

I'm so embarrassed for my country. AI does not hold a place in the future of the United States. It steals from my and my friend's livelihood - plus it profits from the theft of our work. It is wild that something so overhyped, such a clear scam to churn up money and keep the game going is getting so much official support to fleece the eyes of the American public.
