Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-3976
Comment on FR Doc # 2025-02305

Submitter Information

Name: Andrew Su

General Comment

I do not believe AI holds a place in the future of the US. AI steals from the livelihood of hard working Americans and profits off of theft. AI is overhyped without any true justification for its obscene cost, and is fleecing the eyes of the American public. As it is currently being used, AI is nothing more than a tool for scam artists.
