General Comment

You want my comment? You want to hear my comment?

This is awful. This is terrible. This is disgusting. This is damaging to every person in the country, and subsequently, since this country sets so many trends, every person in the world. The ones pushing this are spineless, worthless, cowardly, greedy wastes.

AI is trash. AI only exists through stealing. AI threatens the jobs and livelihoods of many, many people. AI products make everything worse.

Stop.

It.
