Document: NSF_FRDOC_0001-DRAFT-4276
Comment on FR Doc # 2025-02305

Submitter Information

Name: James Duran

[REDACTED]

General Comment

- * I do not believe AI holds a place in the future of the US
- * AI steals from my livelihood as an American and profits off of theft. I have art and writing posted online and the fact corporations can profit off my work without me receiving compensation is abhorrent. We must protect small businesses and creatives.
- * AI is overhyped and is fleecing the eyes of the American public.
