Document: NSF_FRDOC_0001-DRAFT-4306

Comment on FR Doc # 2025-02305

Submitter Information

Name: Miranda Margolis

General Comment

OpenAI is an over-hyped product and the head of an economic bubble that's about to burst. Microsoft no longer wants to bankroll it because Microsoft knows that there is no future in this dying company. Do not allow OpenAI to leech off the American taxpayers. If Bill Gates knows that OpenAI is garbage, the American government and the American people should too.
