Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-4375

Comment on FR Doc # 2025-02305

Submitter Information

Name: Mark
Fitzgibbon

General Comment

Generative Artificial Intelligence hasn't made a believable case to it's existence, let alone as something that should be considered a worthwhile investment.

Allowing models like OpenAI to continue to receive funding and unregulated access to "training" data only serves to devalue the work of existing American skills to the benefit of no one.
