Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-4539

Comment on FR Doc # 2025-02305

Submitter Information

Name: Logan Sund

Address: United States,

Email: [REDACTED]

General Comment

I am against this change as it would fundamentally compromise American's ability to express themselves in the market for fear of devaluing work by low-effort Ai scrapping. This would hurt not only American workers but also our position to defend our work from use abroad by less reputable parties. This lapse in policy would ultimately weaken American IP and should be stopped immediately.
