Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-4569

Comment on FR Doc # 2025-02305

Submitter Information

Name: Kelly T

General Comment

AI is made from already existing works. Like in a song, if the chorus is plagiarized and the rest of the song is not, there is still copyrights on the plagiarized part. This applies to all things AI creates, whether it's art or music or video. AI is inherently valueless.
