Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-4591
Comment on FR Doc # 2025-02305

Submitter Information

Name: Rowan Baxa

Email: [REDACTED]

General Comment

Generative AI is costly, in electricity, and resources. It is based on theft of copywrited works, and would cost the income of many of my friends, who create art. I oppose the ability of OpenAI and other AI models to ignore copywrite, and being given permission by the government to steal our hard earned work.
