Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-4618
Comment on FR Doc # 2025-02305

Submitter Information

Name: Claire Slezia

General Comment

AI does not and should not have a future in the US. It is built on the theft of hard work of citizens without compensation, and will allow jobs and livelihoods to be stolen. If you have any respect for artisans of any kind, you will not allow it free reign to artisans' work.
