Document: NSF_FRDOC_0001-DRAFT-4721
Comment on FR Doc # 2025-02305

Submitter Information

Name: Lillian Rudolph
Address: United States,

General Comment

I do not believe that AI has a place in the future of the USA. AI steals from the livelihood of Americans, myself included, and profits from that theft. If we choose to rely on AI, we choose to cripple ourselves.
Copyright must stand firm against the use of AI; original creators should be consulted before their works are fed to AI, and if they choose to consent to their works being used then they should be compensated thereafter.
