Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-4849
Comment on FR Doc # 2025-02305

Submitter Information

Name: David Esarey

General Comment

I do not believe we should remove the proposed guardrails that limit the development of AI, as the requested concessions constitute theft from myself and all of our creations. AI does not present value for our nation and the theft of our work to make a handful of companies wealthy is outrageous.
