Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-4870

Comment on FR Doc # 2025-02305

Submitter Information

Name: James Overbaugh

General Comment

Generative AI will not make America great. All it has managed to create since its introduction years ago is an industry of lowest-common-denominator slop of no actual value to the American people, an industry built off theft and lies. Not even Apple can use generative AI to push sales. WE THE PEOPLE do not want generative AI pushed down our throats any more.
