Document: NSF_FRDOC_0001-DRAFT-4942
Comment on FR Doc # 2025-02305

Submitter Information

Name: Samantha Spaulding

[REDACTED]

General Comment

No company, product, or invention should be placed above the existing copyright law. Especially when the foundation of AI is stolen artwork and the use of AI is so detrimental to the environment and artistic opportunities for human beings. AI should not be given blanket protection from copyright infringement lawsuits.
