Document: NSF_FRDOC_0001-DRAFT-4995
Comment on FR Doc # 2025-02305

Submitter Information

Name: Cassius Peter

[REDACTED]

General Comment

Absolutely not. Using copyrighted material for A.I. training is not fair use. Allowing copyrighted material for A.I. training would mean that copyrighting would be basically worthless, as anyone could create whatever they wanted with copyrighted material and hide behind their training model.
