Document: NSF_FRDOC_0001-DRAFT-5005
Comment on FR Doc # 2025-02305

Submitter Information

Name: Bailey Edwards
Email: [REDACTED]

General Comment

AI holds no place in the future of America or in the world at large. AI steals the livelihood of hard working Americans and prevents them from achieving the American dream! AI is overhyped and already out the door, and allowing it a place at the table would mean America goes out the door, too.
