Document: NSF_FRDOC_0001-DRAFT-5052
Comment on FR Doc # 2025-02305

Submitter Information

Name: Anonymous Anonymous

General Comment

Giving legal immunity to AI companies will completely destroy the creative capacities of America and will cause massive brain drain and flight to other countries that take a harder line on protections for creatives and their work. Surrendering authority to unelected individuals in the private sector would be a self-inflicted wound to the culture and economy of this country.
