Document: NSF_FRDOC_0001-DRAFT-5072
Comment on FR Doc # 2025-02305

Submitter Information

Name: Wren Hayes

General Comment

A disgusting lack of regard for the intellectual property rights of billions of people. I do not believe in AI having any place in the future of the United States. The American public are fed lies and fleeced through this draconic practice. The profit of theft by AI is something that needs to end.
