Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-5073
Comment on FR Doc # 2025-02305

Submitter Information

Name: Rodion Bochenin

[REDACTED]

General Comment

Companies that didn't produce any intellectual property will get access to use it and sell it via their assets covering it under the AI label which just basically make collages of existing artworks, music, videos and etc. human products and won't pass any plagiarism test. An absolute death of originality comes with such law.
