Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-5104

Comment on FR Doc # 2025-02305

Submitter Information

Name: Colin Lane

Address: United States,

General Comment

This is a horrible idea. Many of my friends are independent artists who struggle to make a living as is in the current economy. Allowing their work to be stolen legally will only benefit corporations and harm individuals. Not to mention the energy costs that will inevitably come with the increased use of AI if this plan is carried out.
