Docket: NSF_FRDOC_0001

Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-5121

Comment on FR Doc # 2025-02305

Submitter Information

Name: Anonymous Anonymous

General Comment

I'm a writer and do not want my published work being mined as that destroys my business and ability to support myself and my family. I also think AI devours too much energy that can be better devoted to worthier projects. Preserving copyright is critical to individuals and businesses engaged in creative innovation. Undermining these protections would destroy critical sectors of society.
