Document: NSF_FRDOC_0001-DRAFT-5164

Comment on FR Doc # 2025-02305

Submitter Information

Name: Shae Holy

General Comment

I am very against this. AI is a threat to public security and continually gives false information as fact. I would not give consent for any company to access my work for AI. Reliance on AI has been shown to be a detriment to children's ability to use reason and problem solving skills. This will not help build a better future for them.
