Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-5223

Comment on FR Doc # 2025-02305

Submitter Information

Name: Ben Roth

General Comment

AI companies are not above the law. Allowing flagrant theft and copyright violation by the likes of OpenAI does not make America stronger, it just lines the pockets of greedy CEOs at the expense of ordinary Americans. Americans deserve to have their rights protected, not trampled on as this action plan would do.
