Document: NSF_FRDOC_0001-DRAFT-5362
Comment on FR Doc # 2025-02305

Submitter Information

Name: Anonymous Anonymous

General Comment

Do you want the death of human creativity, art, knowledge, music, and expression? Approving this will destroy everything we've set out and created up until now and leave us with nothing but soulless and uncreative husks if they're former selves. Not to mention nobody wants this. NOBODY. Except people who have far more money than anyone has any right right of.
