Document: NSF_FRDOC_0001-DRAFT-5518
Comment on FR Doc # 2025-02305

Submitter Information

Name: Joshua Daniel

Email: [REDACTED]

General Comment

I oppose this rule because generative AI steals from the livelihood of hardworking American artists, writer and creatives and is contrary to the American spirit. AI is a scam, modern-day snake oil. It is an incredibly expensive plagiarism machine that will create nothing of value, and it will be a colossal waste of resources, money and tax dollars to invest anything into it.
