

PUBLIC SUBMISSION

As of: March 21, 2025
Received: March 15, 2025
Status: [REDACTED]
Tracking No. m8a-z6mu-6bjc
Comments Due: March 15, 2025
Submission Type: API

Docket: NSF_FRDOC_0001
Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-5594
Comment on FR Doc # 2025-02305

Submitter Information

Name: Alex Corvino

[REDACTED]

General Comment

Large Language Models cannot create original work on their own. They are programs that can only produce a statistically most likely next word or pixel based on the training data fed to them and they require a tremendous amount of data to work. Allowing for companies and organizations producing LLMs to freely appropriate any and all data that they can to train them without compensation to the people who made the work is an anathema to the free market and should not be allowed.
