Document: NSF_FRDOC_0001-DRAFT-5630

Comment on FR Doc # 2025-02305

Submitter Information

Name: Anonymous Anonymous

General Comment

Generative AI should never be used in lieu of human beings for art, writing, or conversation. Not even emails or text messages.

It should never replace professional research of medical or legal issues.

AI is a tool to assist humans, not replace them.
